### Parental Consent

I give my consent for \_\_\_\_\_ to be enrolled at West Hills Community College District as a special part-time student (per Education Code 76001). I understand that my son's/daughter's progress will not be monitored by the high school. In the event the student should drop a course, it is the student's responsibility to notify the high school counselor immediately. I understand that my son/daughter is being considered for admission as a college student and he/she will abide by all college rules, regulations and deadlines. I understand that my son/daughter may participate in college surveys or research as approved by the district. I also understand that transportation and other costs for community college courses are the responsibility of the student. Under FERPA, the College will not release any student records, not including directory information, to anyone without the written consent of my student.
